3. Introduction

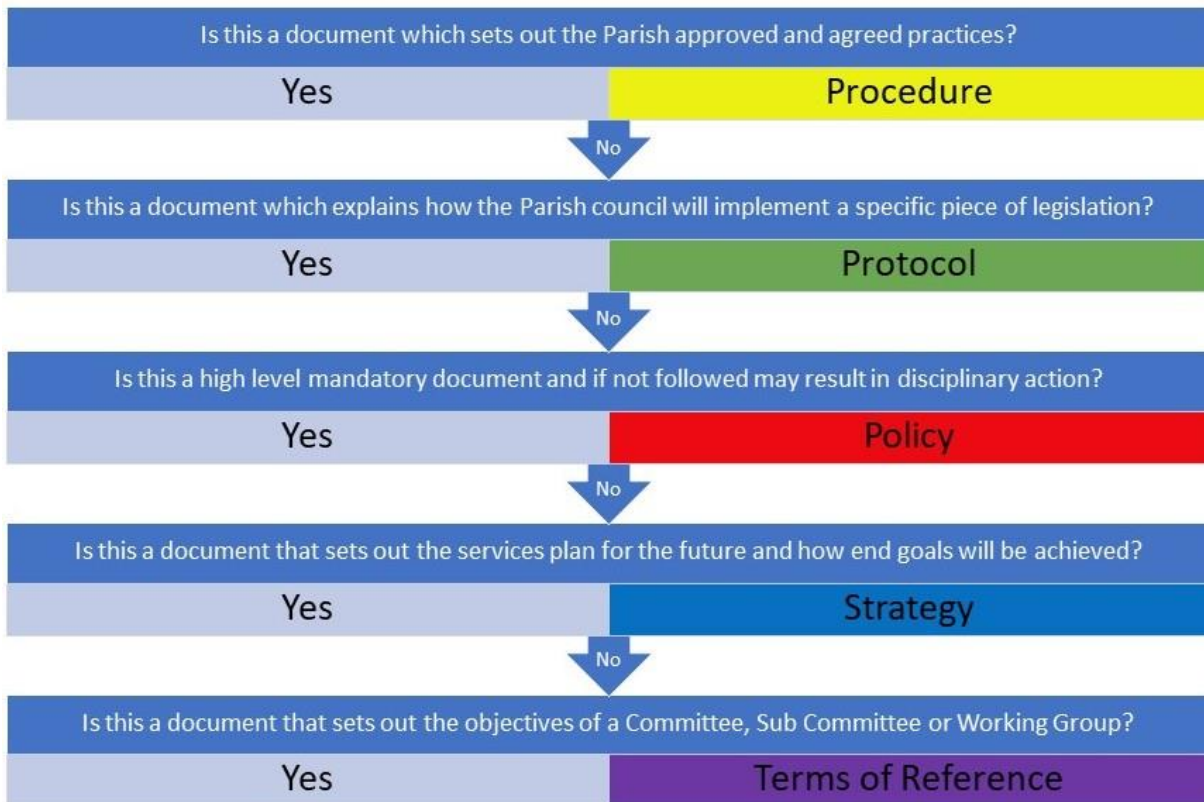

a. The purpose of this procedure is to aid employees and councillors in creating a document that follows a standard format and details the process for staff to follow in order to choose the correct template, have it approved and published to the public facing website where appropriate.

b. Authors should be aware that the document once approved will be automatically published to the Parish Councils external website and therefore need to be mindful of the document content.

c. Each document **may be** allotted to a committee for the approval of the initial document and any further amendments, pending Full Council ratification.

4. New Document Drafting Process

a. Refer to the flowchart below to ascertain what type of document you require. For a more complete list of definition types please refer to section 6.0.

- b. Once you have identified the document type, use the template at section 7 to create a new document and enter the type of document and corresponding colour fill into the first box.
- c. Complete front pages of the document as detailed in the template.
- d. Draft content of document. Use paragraph numbering format as shown in the template and complete in Arial 12 font.

5. New and Existing Document Approval process

- a. If you wish to make amendments to an existing document before its review date you will need to contact the Parish clerk. **Any changes to an existing document will involve a version uplift of the document and you will need to submit the amended document to either the authorising committee or full council for approval and recording in the minutes as detailed below.**
- b. **If a new document then the Parish Clerk will need to allocate an index number for the document eg PCD123**
- b. Submit document (word version) to the responsible committee / **full council** for approval. Approval will need to be recorded in the committee minutes.
- c. Submit approved document (word document), via the Parish Clerk, to the Full Council for ratification. The Clerk will conduct a check of the formatting. This is a two-way process and may involve the Clerk contacting you to discuss any changes.

d. Once the document has been ratified by the Full Council complete any required amendments, format changes etc and submit to Clerk (word document) for publishing on the Paris Council website.

6. Document Review

a. All documents have a review date of three years unless otherwise stated to meet statutory or legal requirements.

b. The Clerk is to ensure that it is reviewed by its stipulated review date. If changes are made to a document following it's review then the document will need to go through the approval process.

7. Definitions

Document Type	Definition
Procedure	A Procedure is a document that sets out the organisation's approved and agreed practices. Any deviation must be discussed with the originating author.
Protocol	A Protocol is a mandatory document and sets out how the Parish Council will implement a particular piece of legislation.
Policy	A Policy is a formal, strategic level document and provides a 'statement of intent' about how the Parish Council will comply with the legislation and directives of its subject matter. It is a mandatory document and does not allow for variation of practice. It is relevant to all employees and councillors, including volunteers and third party contractors
Strategy	A Strategy sets out the parish Councils plan for the future and how end goals will be achieved.
