GRANT APPLICATIONS

Billinghay Parish Council has a small budget for the award of grants to local Organisations. The amount budgeted sets the limit for the total of any awards. If the successful applications exceed the total amount budgeted, awards may be given proportionately.

The Council can only award grants in accordance with its legal powers. Any application received must clearly show benefit to some or all of the parish residents or some or all of the parish area. In addition, the benefit obtained must be commensurate with the expenditure incurred.

Grants will be considered at the Parish Council Finance meeting on the **17th November 2025** and every grant must meet the Council's grant criteria. More details regarding this are shown on the Application Form.

The Grant request must be submitted on the Billinghay Parish Council Application for Small Grants Form. Copies of the application form can be requested from the Parish Council Office or downloaded from the Billinghay Parish Council website (Policy and Procedures Section).

All applications must be accompanied by appropriate accounts and or supporting financial information (such as estimates for equipment or work to be under taken).

Forms and the supporting information must be returned to the Parish Office by the **30th September 2025** so that Councillors have sufficient time to consider each application.

POPPY APPEAL 2025

The launch of the RBL Poppy Appeal in Lincolnshire will take place at Lincolnshire Aviation Heritage centre in East Kirby on Saturday 26th October 2025. The national Poppy Appeal period is 24th October to 11th November, although poppies may appear earlier in some establishments from 17th October.

Once again Billingham branch will be actively supporting this appeal in Billingham, Walcott, North Kyme, Anwick and Ewerby. Door-to-door collections will take place in Billingham, Walcott and North Kyme. The support for the 2024 appeal, as in previous years, was amazing from both local businesses and residents. Despite increased financial pressures people's generosity in supporting this worthy cause never ceases to be anything but amazing.

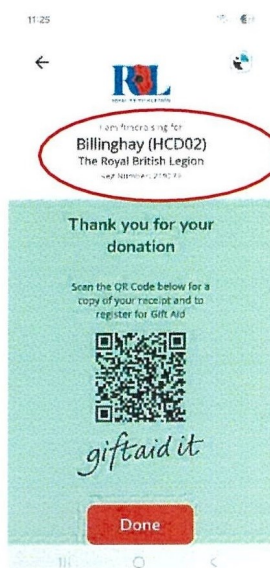

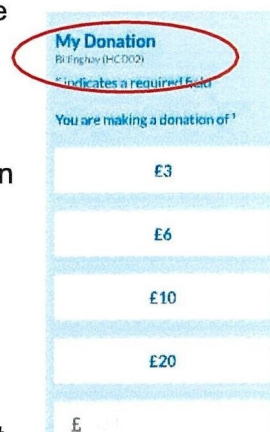

The more cash the merrier, but we also understand that cash is becoming less used in many transactions. In recognition of this, and to make it easier for people to donate, the branch will have two cashless alternatives available this year.

QR Code. The first is the QR code which has now been available for the last two years. Simply scan the QR code at the poppy sale point and you will be taken to the page shown on the right, with pre-paid options or 'other' to stipulate an amount. If the display comes up with any other district than Billingham (HCD02) then cease the transaction and let the PAO know. Contact details will be at the collection point.

Toucan. The new addition is the 'Toucan' application. This is an app which uses the volunteer's phone to take payment from the donator's contactless payment card. If you opt to make payment using your contactless card then the volunteer will present you with their phone showing the display on the left. Again, check it shows the Billingham (HCD02) details. Select amount and then present card to the back of the phone. Once payment is accepted you should then see the screen on the lower right. The volunteer should be able to provide a letter of authority on request.

Gift Aid. A significant additional amount of money can be raised through Gift Aid. Please consider adding gift aid to any payments you make, including cash payments. The volunteers should be able to provide gift aid forms if required for cash payments.

BILLINGHAY MEDICAL PRACTICE

Billinghay Medical Practice has begun hosting drop-in sessions for support groups and local charities in the main reception area. 'One You Lincolnshire' is a programme consisting of help with stopping smoking, weight loss, exercise and drinking less.

They will be attending every three months, with other organisations such as Age Concern (who said it was the best group they had attended recently) and other interactive groups will follow on three monthly.

The practice is a Veteran Friendly practice, and as the local RBL branch has supported with some funding, we are able to hold a monthly Clinic, with 30-minute appointments. A Veteran Nurse Practitioner herself will be running them. Dates are posted on Facebook Billinghay Medical Practice page, on the practice website and in the surgery waiting room. All known veterans have been contacted.

Billinghay is possibly the only practice in the UK to hold these clinics so far.

National alert

The UK Government Cabinet Office has announced the date for its [second national emergency alert system test](#). The UK Government will send an emergency alert to mobile phones nationwide at around 15:00 on 7 September 2025.

The government will run a public information campaign in advance to inform people about the test, including outreach to vulnerable groups like victims of domestic abuse. The campaign will also include materials in British Sign Language.

Local Government Reorganisation Update

A reminder that we have a dedicated webpage for updates on the LGR process: https://www.n-kesteven.gov.uk/council-democracy/devolution-local-government-reorganisation/devolution-local-government-reorganisation/local-government-reorganisation-updates?utm_medium=email&utm_source=govdelivery

Community grants and funding

A reminder that there are various funding opportunities available to communities within North Kesteven. The NK Partnerships team is able to offer support to communities who wish to apply for funding. They can help with setting up a group or committee, recommend the type of people who would need to be involved, and advise on setting up a constitution. Advice can also be offered on completing application forms.

Find out more at https://www.n-kesteven.gov.uk/your-community/localism-your-community/community-funding?utm_medium=email&utm_source=govdelivery

You can also review funding opportunities:

- Funding for climate action and energy efficiency at https://www.n-kesteven.gov.uk/climate-change/climate-change/funding-finder?utm_medium=email&utm_source=govdelivery
- Funding for events at https://www.n-kesteven.gov.uk/your-community/uk-shared-prosperity-fund/events-programme?utm_medium=email&utm_source=govdelivery

It's also well worth visiting the [Lincolnshire Community Foundation](#) for more grant opportunities.

Make use of new Solar Together scheme

Lincolnshire County Council has partnered with domestic supplier iChoosr to start an initiative that supports private households to buy solar panels and battery storage for their homes. You may have had a letter about this.

Solar Together is an innovative new group-buying scheme, which brings Lincolnshire households together to get high-quality solar panels at a competitive price from pre-approved installers. You can get a quote with no obligation to buy.

Households register online for free and pre-approved PV suppliers participate in a reverse auction. After the auction, you will be emailed a personal recommendation tailored to your details, which you can refuse or accept. Visit solartogether.co.uk/north-kesteven/home to find out more and register.

Nominate your champion today

Do you know anyone who's making a difference within the community of North Kesteven through their kind consideration and voluntary endeavour? And have you always thought 'they deserve a medal' for what they do? The next best thing is an NK Community Champion Award, backed by community-minded businesses within the District and co-ordinated by North Kesteven District Council. Across 11 categories, this year we're looking to champion:

- Community spirit
- Young Achievers
- Community Businesses
- Contribution to climate action, arts & culture, sport, a better environment and health & wellbeing
- Good neighbours
- Longstanding contributions to a single group or organisation.

And there's a new category this year to complement the Chair's charitable theme to celebrate Contribution to Animal Welfare.

There's a category to capture all manner of expressions of voluntary action undertaken tirelessly, quietly and selflessly for the benefit of people and communities within North Kesteven. It could be by supporting neighbours, befriending, contributing to a sports or art club, picking litter, maintaining paths, supporting those in need, contributing freely in a myriad ways, changing lifestyles and business practice to reduce climate impacts or going over and above in any way that brings broad benefit or community enrichment.

There's so much amazing activity being undertaken daily that we want to acknowledge, celebrate and champion – but we can only do it if you tell us about it.

Nominations can be made at www.NKawards.org where there is more detail. Deadline is noon on September 16.

Not Forgotten

Unrecognised by many, Billingham Cemetery has a war grave. With the addition of the official CWGC sign at the entrance to the cemetery, hopefully this fact will be more widely recognised.

The grave is that of Sapper Cyril Lamyman (service No 14576445) who served with the Royal Engineers. Cyril died on 2nd February 1944, at the age of 37, at Southend Municipal Hospital in Rochford, Essex. He was the son of James B. Lamyman and Mary Lamyman, of Tattershall Bridge. He married Mabel Preston in 1936 and resided in Tattershall Bridge. Cyril was a brick layer prior to enlistment.

In the St Micheals Graveyard there is also a special memorial honouring the death of three Billingham residents who served in the First World War.

Sapper Sydney Gilbert Atchinson (service No 127985) served with the Signal Company of the Royal Engineers. Sydney died on 27th May 1920, aged 23. Sydney was discharged from the Army on 31st March 1920 on medical grounds and he sadly succumbed to the condition. He was the son of Charles Edward and Betsy Ann Atchinson of Billingham. Prior to enlistment he was a telegraphist in the Billingham Post Office.

Corporal John Hildred (service No M2/191717) served with the Royal Army Service Corps. He died on 27th December 1918, aged 29. He was the son of George and Annie Hildred. He was a motor and cycle mechanic living in High Street, Billingham, on enlistment. John was on leave from operations in France when he died of pneumonia in hospital in Lincoln. He was survived by his wife Emily Maud Hildred, who he married in 1913, and their daughter Annie Elizabeth.

Staff Nurse Nellie Willson served with the Queen Alexandra's Imperial Military Nursing Service. She died on 16th October 1918 aged 30. She trained as a nurse at Erdington Infirmary in Birmingham, commencing 10th April 1915, and worked at Township Infirmary in Leeds and Waverford Hospital in Leamington Spa, in the position of Ward Sister. Nellie joined Queen Alexandra's on 8th March 1918 and was serving at the War Hospital Reading at the time of her death. She was the daughter of Arthur and Susan Willson of 5 Queen Street, Billingham.

Billinghay Amateur Dramatics Association B.A.D.Ass

2025/2026 Pantomime Production

Thursday 25th September 2025 at 6.30pm

At Billinghay Village Hall

New members Welcome – Acting & Supporting Roles

Message from Ros King, Chairperson for B.A.D.Ass

When anyone asks what I do when not stuck behind my desk, I say 'amdram', and usually the response is 'so you dress up and sing on stage'. Basically, yes! Amateur dramatics can be defined as "theatre performances in which the people involved are not paid, but take part for their own enjoyment".

This is true, but there are more layers than just for our own enjoyment. We are a locally organised theatrical group, that year on year provides entertainment for our community. We are an outlet for a range of talents and hobbies, a platform to introduce and teach new skills and develop friendships.

We aren't just performers, we are talented craftspeople, working on sets, painting backdrops, creating props, designing and making costumes. For the technically minded, we are imagining and creating special effects with lights and sounds.

We would welcome anyone with an interest or talent in acting, singing, dancing, creating sets, costumes or wishing to support lights and sound, to join B.A.D.Ass for our next pantomime. Members need to commit to rehearsals (Thursday nights) and be available for the pantomime weekend in February 2026. Panto land is waiting for you!! I look forward to seeing you on Thursday 25th September 2025.

BILLINGHAY HISTORY GROUP

THE DAY LONG CELEBRATION OF THE LIFE OF THE BILLINGHAY AUTHOR BERNARD GILBERT WAS A GREAT SUCCESS.

THE TWO WALKS ORGANISED AS PART OF THE NKDC WALKS INITIATIVE WERE WELL SUPPORTED. DURING THE WALKS, REFERENCE WAS MADE TO RELEVANT WORKS OF THE AUTHOR WITH RECITATIONS FROM THESE IN THE LOCAL LINCOLNSHIRE DIALECT.

THE WALK IN LATE AFTERNOON FOLLOWED A SIMILAR PATTERN AND COVERED AREAS OF THE VILLAGE ASSOCIATED WITH THE AUTHOR AGAIN WITH APPROPRIATE REFERENCE AND RECITALS TO HIS WORK. THIS WAS COMPLETED BY A DISPLAY IN THE COMMUNITY ROOMS OF BERNARD GILBERT'S LIFE AND WORK.

THE EVENING TALK BY PROFESSOR ANDREW JACKSON (AUTHOR OF A BIOGRAPHY ON BERNARD GILBERT) GAVE EVERYONE AN INSIGHT INTO HOW LOCAL PLACES AND EVENTS HAD BEEN USED TO CREATE FICTIONAL LOCATIONS AND STORIES. THE TALK WAS INTERSPERSED WITH EXTRACTS FROM THE WORKS READ BY A LOCAL DIALECT "EXPERT", MAUREEN SUTTON AND LOCAL HISTORY GROUP MEMBER, JOHN TOULSON.

THE EVENT WAS SUCH A SUCCESS THAT A SIMILAR PRESENTATION IS PLANNED AT AN APPROPRIATE TIME IN THE FUTURE.

WE HAVE ALSO HAD AN INTERESTING TALK BY BOB GARLANT ON THE HISTORY AND MYSTERY OF PLACE NAMES. THIS GAVE THOSE WHO ATTENDED KNOWLEDGE OF HOW LOCAL NAMES CAME ABOUT AND HOW THEY HAVE EVOLVED. IT WAS QUITE FASCINATING HOW SOME OF THE LOCAL NAMES HAD CHANGED OVER TIME.

BOB ALSO BROUGHT US UP TO DATE WITH THE POTTERS HILL ARCHAEOLOGICAL DIG WHICH IS SHORTLY TO BE FEATURED ON A YOUTUBE TIME TEAM SPECIAL

FUTURE EVENTS ALREADY PLANNED ARE:

17 SEPTEMBER 2025	MARK BAMFORD	THE HISTORY OF THE BASS MALTINGS, SLEAFORD
29 OCTOBER 2025	JEAN HOWARD	THE LIFE OF THE LINCOLNSHIRE SUFFRAGETTE.
19 NOVEMBER 2025	TOM LANE, NIGEL & TERI	LINCOLNSHIRE INNOVATORS AND EXPLORERS (WITH MUSICAL ACCOMPANIMENT)
DECEMBER 2025	NO PRESENTATIONS THIS MONTH

Just One Financial Thing – Part 6

If you are following this series you have already gathered all the information on your old pensions. Now you can start to consider not only how much you might get in retirement but also how much extra you can afford to put into pensions. The Retirement Living Standards website can help with working out how much money you need to have saved for your desired lifestyle in retirement.

For those in the fortunate position to be able to make extra contributions, you may wish to consider backdating your contributions to ensure that you have maximised allowances. This is particularly relevant now, when the incoming Government may well look at the allowances and tax relief on pension contributions.

Any kind of Financial Planning should take into consideration your age, and that is the next tip in our [Just One Financial Thing](#) series. Understanding where you are in your financial journey will guide your decision making.

The steps you take now will depend on whether you are at the start of your career and looking to buy your first house, starting a family and thinking about protecting them in the future, or at the peak of your career and thinking about when you could stop work. These 5 main stages of financial life, each with different priorities, can be summarised as follows:

1. Early career (in your 20's) - workplace pensions, saving for a deposit, budgeting
2. Building foundations (in your 30's) - finding the right mortgage, protecting those close to you
3. Lifestyle balancing - (in your 40's) spend now or save for later, building your career
4. Future Proofing - (in your 50's) How much will be enough, when will I be able to stop work
5. Enjoying the plans you set up (60+) - helping out children, ensuring your money lasts

If you need any support in making decisions you can find out more on our website, or get in touch.

St Michael and All Angels Church, Billingham

Dear Friends,

We are always grateful for the generosity of our local community towards St Michael and All Angels Church here in Billingham. We are holding a Gift Day this year to invite local people, regular worshippers and non-worshippers alike, to make donations to ensure that the historic church can remain open to serve your community. It is thanks to your support that we have been able to continue to maintain it as a centre for worship and a place where everyone in the community can celebrate important occasions such as baptisms, weddings, and funerals.

We are a charity and depend entirely on the direct giving of our congregation and fundraising to meet the costs of running the church and paying our clergy.

As a Church community we have continued the Thursday Morning Coffee Club held once a week at the Community Rooms, 10am -12 midday, which is extremely well attended. This is a space where we offer a warm (or cool) space with joyous conversation and is open to all to attend.

We hold numerous events throughout the year to help with fundraising, such as quiz nights and jumble sales. We are looking to create some events in the very near future for all to attend, please see the church noticeboard for further details.

We are aware that not everyone is in a financial position to give as they would wish, but we ask for whatever support you can give. If you are already someone who gives regularly and do not feel able to do more, please accept our grateful thanks for what you are doing, and do not feel any further obligation.

If you feel that you could donate some of your time to help with the upkeep of the church, this would be gratefully received, these would not be massive tasks, but to join a dedicated team to keep the building looking at its best. Please contact the Curate Reverend Helen Eke on 07736 780131 or email helen.carrdyke@gmail.com

Our Gift Day will be held on Thursday 11th September

The church will be open from 10am to 5pm. You are welcome to bring your gift in person, or you may also send gifts to the church by other means

Any cheques should be made payable to PCC St Michael Church

Direct payment into the Church bank account can be done using the details

PCC St Michaels Church, Account number 00548176 Sort code 30-97-70

If you would like an acknowledgement, please include your name and address. If you are a tax-payer, we can reclaim the tax (25%) you have paid at no extra cost to you. To enable us to do that please complete the declaration on the bottom of this letter and enclose it with your donation.

With Best Wishes and Blessings,

PCC of St Michael

Rev. Helen (Curate)

If you are a UK tax payer, you can gift aid your donation meaning that we receive a further 25% at no cost to you. If you are happy for us to do this with your donation, please enter your details below and return this slip with your donation. Thank you for your generosity.

Please add gift aid to my donation

YOUR NEW FOOD WASTE RECYCLING COLLECTION SERVICE

As part of a national government mandate under new 'Simpler Recycling' legislation (Environment Act 2021), from 2026 all Lincolnshire households will be required to separate their food waste from their residual waste. Your local council will deliver two new containers to your home together with instructions on how to use them.

All you will need to do is empty any food waste you have, such as plate scrapings, peelings and tea bags into the new kitchen caddy. When your kitchen caddy is full, empty it into your new outside food waste recycling caddy ready for collection.

By recycling your food waste in this new way, you will help cut down the amount of waste that ends up at our Lincolnshire Energy from Waste disposal facility. Separated collected food waste will be sent to an anaerobic digestion facility in Lincolnshire where it will be turned into fertiliser for agriculture and biogas which is used to generate renewable electricity for homes.

What will be provided?

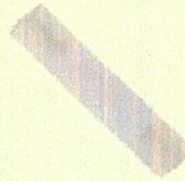

Before your collections begin your local council will arrange for you to be provided with the following delivered straight to your door:

A small kitchen caddy for collecting food scraps

A larger outdoor caddy for collection

An initial supply of indoor caddy liners

Full instructions and collection schedule

What will I be able to recycle?

You will be able to recycle all your food waste, including:

Evergreen means Friendship to a lonely, elderly person....and we need your help please...

The aim of the Charity is for volunteers to form a one-to-one friendship with an elderly person who may be lonely and isolated.

Evergreen Sleaford has been successfully serving not just Sleaford, but the area from Metherringham to Folkingham, Caythorpe to East Heckington, that's a 10-mile radius of Sleaford, for the last 12 years and it's a FREE SERVICE

The people we visit are 70 years and over, living alone and are often unable to leave their home by themselves.

Each friendship is unique and special, so people do different things during their visit. Some have a drink and a chat, others play games such as Scrabble. While others enjoy looking at photographs or sharing their love of craft, music, films or books. Football or railways are also some topics for discussion. In some cases, they go out and visit garden centres or cafes. It doesn't matter what they do if there is enjoyment to be had!

We have lovely feedback from both befriendees and befrienders about their friendships, as it is really enjoyed by both and it is very special.

The number of people needing this service is increasing again and, unfortunately, we do not have enough volunteers to meet the need.

It's such a little thing to ask, but it means so much, so if you have time to give and want to make new friends, please get in touch.

All volunteers are DBS checked and receive training and support from the Evergreen Co-ordinators.

Donate or take free paint from our Community RePaint stores at Grantham, Louth, Tattershall and Lincoln Household Recycling Centres. Reusing can save money and helps to protect the environment by preventing thousands of litres of perfectly good paint from going to waste.

How it works

When leftover paint is dropped off at the site it is added to the Community RePaint store. Other residents and community groups can then take any paint they might need for their DIY projects from the store for free – you'll just need to sign for it. If you would like to donate or collect paint, simply speak to a member of staff on site. If you do not like the paint or have an issue with it, please bring the tin back to site on your next visit. We will either put it back into the store for reuse or dispose of it correctly. Please note we cannot guarantee the amount of paint available in the store each day. Paint for donation or collection

We have a large variety of leftover paint available in different colours and finishes. Most paint is accepted, provided it is still useable and at least half full.

Paint we accept: Emulsion paint, Gloss paint, Eggshell paint, Satin paint, Primers and undercoats, Floor paint, Masonry and exterior paint, Varnish and wood stain and Tile paint.

What we can't accept: Paint thinners such as white spirit, Paintbrush cleaner, Paint stripper, Wood preservatives and treatments, Pesticide products, Specialist and industrial paint, Aerosol and spray paint, Cellulose-based paint and any paint containing lead.

Opening times. Find Community RePaint stores at the Household Waste Recycling Centres at Grantham, Louth, Tattershall and Lincoln. Our stores are open from Friday to Tuesday, 9am to 4pm.

More Community RePaint sites are expected to open at other recycling centres across the county throughout 2025.

Find out more

Community RePaint is a UK wide paint reuse network, sponsored by Dulux. Visit the [Community RePaint website](#) for more information.
