BELIEVE TO ACHIEVE, EMPOWERING A COMMUNITY OF HOPE AND ASPIRATION

BILLINGHAY C OF E PRIMARY SCHOOL

As we settle into the new school year, our thoughts are already turning to the festive season. We're excited to announce that the whole school will be heading to the Lincoln Theatre Royal in December to enjoy a pantomime - a highlight we're all looking forward to!

We recently celebrated Lincolnshire Day with a range of hands-on activities. A big thank you to Simon Glassup for bringing a tractor and some sheep into school - the children absolutely loved meeting them! We were also delighted to welcome Heckington Windmill, who shared the fascinating history of windmills in Lincolnshire and explained how wind power is used to produce flour from corn. They kindly provided us with some of their flour so the children could have a go at making their own bread — a wonderful and memorable learning experience.

Our Y6 Typhoon class enjoyed a fantastic visit to the Lincolnshire Showground for Construction Day, where they explored careers and skills related to the construction industry.

Thank you to everyone who kindly donated food for our Harvest Festival. Your generous contributions will be delivered to the Sleaford New Life Food Bank, supporting families in need in our local community.

Meanwhile, our Reception Red Arrow class took part in lovely Harvest-themed activities with children from Daisy Chain Nursery, building new friendships and learning about the season together.

Do you have a child eligible to start school in September 2026?

We warmly invite prospective parents and carers to come and visit us at our Open Day on Wednesday 6th November.

This is a fantastic opportunity to:

- ✓ Explore our vibrant Early Years indoor and outdoor learning environments.
- ✓ Meet our friendly, experienced staff team.
- ✓ See our school in action and discover what makes it such a special place to learn and grow.

Reception admissions open on 17th November 2025 and close on 15th January 2026 through Lincolnshire County Council School Admissions. To arrange a tour of our school, or find out more, please contact the school office on 01526 860786.

I would like to thank everyone for their ongoing support - it is truly appreciated. We look forward to building on our successes as we continue to make this school year a positive and rewarding one for all our pupils.

With best wishes,
Mr R Allen, Headteacher.

VJ DAY 15th AUGUST 2025

15th August 2025 marked the 80th anniversary of Victory over Japan Day, effectively commemorating the end of the Second World War. As the fighting ended in Europe in May 1945, Allied troops in the east were still engaged in fierce warfare. The 14th Army, the principal British fighting force in the east, was an extraordinary army composed of troops from South Asia, Africa and British, Burmese and Gurkha units. Some 85% were from pre-partition India. By 1945 the British Indian Army was the largest volunteer force in history, made up of 2.5 million men and women. The War claimed the lives of 87,000 of these volunteers.

In the Pacific, Australian forces faced fierce resistance on Borneo, and US forces fought to take the strategically important islands of Iwo Jima and Okinawa; battles which were marked by appalling levels of casualties. On 6th August, the United States dropped the first atomic bomb over Hiroshima. Two days later, the Soviet Union declared war on Japan followed by a huge attack on 9th August. That day also saw the dropping of the second atomic bomb – over Nagasaki. The number of deaths from the bombs has been estimated as high as 200,000. Recognizing that victory was impossible, the Japanese government finally accepted the Allied surrender terms on 14th August.

Billingham RBL joined with the St Michaels Coffee Morning to celebrate VJ Day. The celebrations began with a wreath laying ceremony at the War Memorial, coinciding with the national 2-minute silence.

Everyone then retired to the Church Hall where the celebrations commenced, led by 40's entertainment provided by Stephen Taylor. Everyone was in fine voice and it was also good to see so many embracing the 40's dress style.

Following the 40s dress competition, the winner of the day was 'Fag Ash Lil', which many of you will remember was a character created by Larry Grayson. The day culminated with many taking to the dance floor.

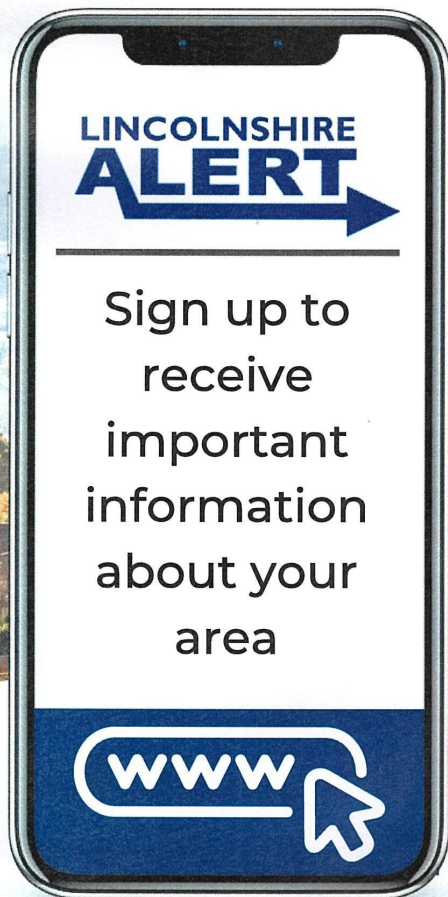

A very successful raffle was organised by the Coffee Morning. This raised a whopping £200, which was donated to the Billingham Branch of the RBL. In turn, the RBL donated £50 of this to Lincoln University as a donation for the outstanding restoration of the large Roll of Honour, which is now rehanging in St Michaels Church. The work carried out by the students was long and painstaking. Everyone is encouraged to visit the church and see the Roll of Honour and the display detailing the restoration activity.

Thanks have to go to all involved in the organisation of this very successful event. Once again, the Ship Inn provided an excellent buffet. As with the VE Day celebration, North Kesteven District Council provided a grant which covered the majority of the costs.

Branch Community Support (BCS)

The RBL are extremely grateful for the donation from the raffle. Billingham branch work hard to ensure that veterans, serving members and dependants of both can turn to the RBL for support in times of need. The branch has 2 BCS volunteers. BCS is a volunteering service which is delivered by RBL members. The programme centres around providing one-to-one social support to those who are lonely, isolated and in need of companionship. A weekly phone call or face-to-face chat can be an amazing way to help someone know that there is a network of people who care about them. The RBL can be contacted on 0808 802 8080, or email info@britishlegion.org.uk, or contact a branch member.

Frauds and Scams

Fraud (also called scams) is when someone tricks or deceives you to gain something for themselves, usually money, goods, services or property. To find out more about fraud and scams, and take the short online training, visit the [Friends Against Scams](#) website

Fraudsters usually try to make contact with you through four different channels:

- Telephone. Never talk about money on the telephone to unsolicited callers.
- Doorstep sellers and traders. If you're not sure, don't open the door.
- Postal. If it sounds too good to be true, then it usually is.
- Internet. Do not click on any links from unsolicited emails and move them straight to your "spam" folder (where any malicious links are automatically disabled).

Fraud and Scams Prevention Pack

The Fraud and Scams Prevention Pack has been created to empower communities to identify and report fraud, and prevent themselves from becoming victims of the crime.

With scams becoming ever more sophisticated, it is no longer just the elderly and vulnerable who are getting caught out.

The pack contains information and resources including fraud and scam prevention advice, how to report different types of fraud and guidance on online safety for children.

A free fraud pack can be requested by completing the online form at <https://survey.lincolnshirealert.co.uk/Survey/HASH/4F32D2A1240F246C3F3E63F19559AFE6> or going on to the Lincolnshire Police & Crime Commissioner web page and following the links.

A digital version of the pack can be downloaded from the site <https://drive.google.com/drive/folders/1az7dxmSaioGZ5gUvSkpJpptaofSfUdokyk>

Or contact the Parish clerk who can order packs.

Neighbourhood Policing Survey

Please let us (Lincolnshire Police) know the issues you want your Neighbourhood Policing Team to concentrate on.

Help us shape our policing priorities by completing a short survey that will take no more than two minutes: <https://forms.office.com/e/4Vj3348uBu>

Please share amongst your friends, family and local networks. Every response builds a picture of concerns within the community and evidences what we need to focus on.

The survey will remain open all the time so you can share your views with us at anytime.

Thank you - your feedback will be incredibly valuable.

Bingo: A regular bingo night is now up and running on Tuesday evenings. Doors open 6.30pm, Eyes down 7pm. All are welcome.

There is an ornamental cherry tree in front of the village hall in commemoration of Viv Stokes. Viv helped to put on many events in the hall and the tree had been neglected in recent times, but thanks to Damian Durham it has been nicely pruned. Thanks Damian.

The Good, the bad and the ugly:

The Good: A very big thank you to Billingham Brownies for their litter pick around the children's play area and playing field on October 1st. Well done to everyone who took part.

The Bad: To the person or persons who think it's amazing to throw their food take-away litter onto the hall car park; two words....GROW UP!

The Ugly: There has been a recent spate of just one or two thoughtless dog owners continuously leaving their dog's poo on the top end of the playing field, and along the footpath between the playing field and Mill Lane. There are several litter bins around those areas so there's no excuse for leaving your dog poo for others to tread in, or worse pass on disease to children or other dogs. People on mobility scooters use the field and footpath. They may be unable to clean their wheels before going indoors.

This pic shows how much was collected in just five minutes in one small area.

To those who are responsible for this FOR GOOD-NESS SAKE THINK OF OTHERS. BUY SOME POO BAGS, PICK IT UP AND BIN IT.

BUSES FOR BILLINGHAY

The title may bring a smile to your face! How many of us are fed up that we can't get about more easily using buses?

Billinghay is a large village with over 2500 residents, increasing with new houses being built. However for years it has suffered poor public transport connections with Lincoln and Boston.

True, we can get to Sleaford and Metherringham using the mini buses of Call Connect and PC Coaches, but the joke was always that it would take a day to get to Lincoln or Boston, or further afield.

We have been promised that the problem would be addressed over and over again but still no daily scheduled bus service.

Billinghay Parish Councillors would like your help to make it a priority.

After discussions with County Councillors and e mails to Dame Andrea Jenkyns and to bus companies, we have decided to make your views heard loud and clear.

A new Local Transport Plan is about to be considered and if we can get your signatures on a petition, we hope that it would make a real difference to this cause.

Petitions can be signed at the Parish Council office, the Village Hall and other places around the village. Parish Councillors will also be circulating the Petition for you to sign, so please look out for us around the village over the next few weeks.

OBITUARY

Pip Black

We are sad to report that a long time resident of Billingham has sadly passed.

Pip Black was born in Algarkirk on 19th March 1938 and went to school in Ruskington and Sleaford. He met his wife, Jill, on one of his many trips over to Billingham on his motorbike and they married in March 1961.

They were married for 64 years, originally living in Anwick. They moved to Billingham when Pip was offered a job working for Len Scott & Sons haulage company driving a HGV. He worked there for 45 happy years before retiring.

He enjoyed gardening and prior to living down The Whyche, they lived in Princess Square where he had a large bird aviary and bred budgies, canaries and finches.

Pip was sadly diagnosed with Parkinson's in early 2023 and it was in August 2025 that he deteriorated and was admitted to hospital and subsequently transferred to Oakdene Care Home where he passed away peacefully on 17th September 2025.

YOU FOUGHT. YOU SURVIVED. YOU WEAR BATTLESCARRED.

BattleScarred isn't just clothing — it's a symbol of survival. Born from the belief that every scar tells a story, our brand stands with those who've fought battles seen and unseen — from soldiers returning home to everyday heroes fighting their own wars within.

We exist to remind people that strength isn't measured by perfection, but by resilience. Every hoodie, every tee, every stitch carries a message, you made it through, and you're still standing,

Whether your scars are mental, emotional, or physical. BattleScarred is here to give them purpose — to wear them with pride and to inspire others who are still fighting theirs.

Just One More Final Financial Thing

Hopefully, if you are employed, you are all fortunate enough to get an annual pay review. In recent times many have received inflation linked pay increases. Of course, when prices are rising like they have, the increases hopefully cushion the blow of rising fuel, food and general household expenses.

So I acknowledge that this tip is not always possible but, if you can, each month save half of your salary increase and spend half. As an example, if you receive a £40 a month pay rise, save an extra £20 and spend £20 each month. If you do this every year you will gradually increase your regular savings and will find you have build up a sizeable emergency fund or nest egg for the future. If you can add this to an ISA or pension, you will also benefit from the tax relief.

We have already talked in our series about being organised. Knowing where to find information saves time and helps you to plan, but we have to also be prepared for something unexpected. We are all very private when it comes to our finances, but it is sensible to let someone else know where you store important information. We have a few clients who keep a 'death journal', one place where details of all those little details are kept safely, just in case.

We are also regularly told not to share passwords etc, but if that means that no one knows how to log in to your emails or internet banking then this can cause a lot of distress at a time when those close to us are already dealing with a lot. Of course, we should all keep information as safe and secure as possible, but if we just let one person that we trust know what to do, should something happen, then this is invaluable.

And the final tip in this series is to bring all of these tips together to understand what the future might look like. I appreciate this is not easy as there are so many eventualities and variables. We use financial forecasting to try and understand what the future could look like, with a disclaimer that things change and it could be wrong, but it is better than no plan at all.

As an example, many people pay into their workplace pensions but do not actually understand what this means when they stop work. Our retirement can be tied to investment returns without us even realising and we also change jobs more frequently, so the projections received on our pensions don't give the full picture.

You may decide that a simple spreadsheet could be sufficient, with details of your current pensions, monthly contributions and other savings being compounded at a set rate of return to work out how much it could be worth at your anticipated retirement age. You may however decide that a more sophisticated analysis is needed, with full financial forecasting. Whichever route you choose, it will help guide your future decision making.

It has been a year since we started this series on financial tips. I hope you have found something useful to help you on your financial journey. All the tips can be found on our website and we are hoping to publish this as an eBook soon too.

If you need any support in making decisions we have lots of other resources, including some short videos on different aspects of finance. They are free to access, please do just get in touch if you have something you would like to understand more about. Our goal is to support people through their financial journey and even if you don't need advice at this point, we are happy to provide information where we can to our local community.

Evergreen means Friendship to a lonely, elderly person....and we need your help please...

The aim of the Charity is for volunteers to form a one-to-one friendship with an elderly person who may be lonely and isolated.

Evergreen Sleaford has been successfully serving not just Sleaford, but the area from Metherringham to Folkingham, Caythorpe to East Heckington, that's a 10-mile radius of Sleaford, for the last 12 years and it's a FREE SERVICE

The people we visit are 70 years and over, living alone and are often unable to leave their home by themselves.

Each friendship is unique and special, so people do different things during their visit. Some have a drink and a chat, others play games such as Scrabble. While others enjoy looking at photographs or sharing their love of craft, music, films or books. Football or railways are also some topics for discussion. In some cases, they go out and visit garden centres or cafes. It doesn't matter what they do if there is enjoyment to be had!

We have lovely feedback from both befriendees and befrienders about their friendships, as it is really enjoyed by both and it is very special.

The number of people needing this service is increasing again and, unfortunately, we do not have enough volunteers to meet the need.

It's such a little thing to ask, but it means so much, so if you have time to give and want to make new friends, please get in touch.

All volunteers are DBS checked and receive training and support from the Evergreen Co-ordinators.

Donate or take free paint from our Community RePaint stores at Grantham, Louth, Tattershall and Lincoln Household Recycling Centres. Reusing can save money and helps to protect the environment by preventing thousands of litres of perfectly good paint from going to waste.

How it works

When leftover paint is dropped off at the site it is added to the Community RePaint store. Other residents and community groups can then take any paint they might need for their DIY projects from the store for free – you'll just need to sign for it. If you would like to donate or collect paint, simply speak to a member of staff on site. If you do not like the paint or have an issue with it, please bring the tin back to site on your next visit. We will either put it back into the store for reuse or dispose of it correctly. Please note we cannot guarantee the amount of paint available in the store each day. Paint for donation or collection

We have a large variety of leftover paint available in different colours and finishes. Most paint is accepted, provided it is still useable and at least half full.

Paint we accept: Emulsion paint, Gloss paint, Eggshell paint, Satin paint, Primers and undercoats, Floor paint, Masonry and exterior paint, Varnish and wood stain and Tile paint.

What we can't accept: Paint thinners such as white spirit, Paintbrush cleaner, Paint stripper, Wood preservatives and treatments, Pesticide products, Specialist and industrial paint, Aerosol and spray paint, Cellulose-based paint and any paint containing lead.

Opening times. Find Community RePaint stores at the Household Waste Recycling Centres at Grantham, Louth, Tattershall and Lincoln. Our stores are open from Friday to Tuesday, 9am to 4pm.

More Community RePaint sites are expected to open at other recycling centres across the county throughout 2025.

Community RePaint is a UK wide paint reuse network, sponsored by Dulux. Visit the [Community RePaint website](#) for more information.
