BILLINGHAY BRANCH UPDATE

Visit to National Memorial Arboretum (RBL National Remembrance Gardens)

On 9TH September 2026, the branch laid on a coach to take a party of primarily veterans and parishioners to the NMA. The NMA is a UK registered charity and 150-acre visitor site on the edge of the National Forest in Staffordshire. It exists to ensure that:

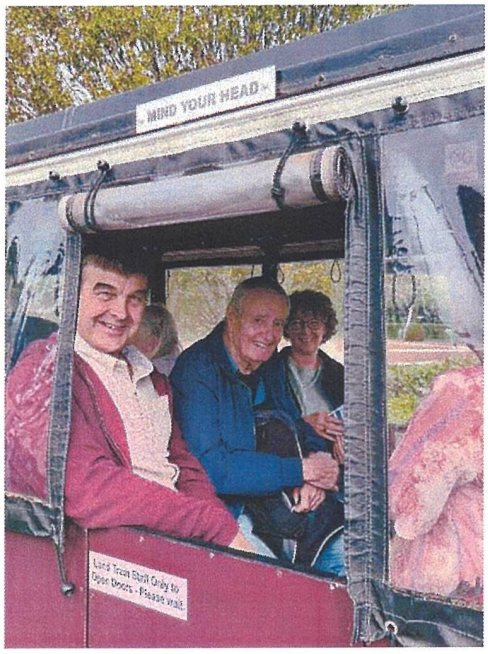

- the unique contribution of those who have served and sacrificed is never forgotten
- the baton of Remembrance is passed on through the generations
- there is a year-round space to celebrate lives lived and commemorate lives lost.

For many this was their first visit to the arboretum, whilst others were making return visits, some after many years.

The arboretum has over 400 memorials and some of these had significant poignancy for our visitors. Overall, the day was organised to promote the commemoration for the public benefit of those who have died whilst serving in the Armed Forces.

The Shot at Dawn memorial (pictured) is an especially moving memorial which commemorates 309 British and Commonwealth soldiers who were shot for offences including desertion, cowardice, mutiny and sleeping at post during the First World War. Most were sentenced after a short trial at which no real opportunity for defence was allowed. Today, it is recognised that some were underage and many suffering from Post Traumatic Stress Disorder

All our visitors found the visit rewarding and we are hoping to arrange more trips in the near future.

If you wish to participate in a future visit and have any suitable places that could be considered, then please contact us.

INVICTUS GAMES BIRMINGHAM 2027

On 10th - 17th July 2027, Birmingham will welcome 550 wounded, injured and sick service personnel and veterans, and their families, from 25 nations. They will compete in 12 adaptive sports to support their recovery and inspire others through their resilience. The Invictus Games harnesses the power of sport to inspire recovery and support rehabilitation for wounded, injured or sick servicemen and women. Every competitor carries a unique story of injury or illness, and the determination to keep moving forward. In 2027, the RBL is sponsoring Team UK.

We are extremely proud as a branch to be able to announce that we have provided funds to enable support of one athlete. We are planning to host at least one Invictus speaker, so watch out for further information.

Morning Muster

The Branch has been working closely with our local Medical Centre and with the NHS K2 Well-being Team to improve our ability to reach out to our Veterans. We have established a Veterans Coffee Morning which takes place at the St Michael's Community Hall on the 2nd Tuesday of each month between 10.00 and 12.00. The meeting is organised by the NHS K2 Team and it gives Veterans a chance to get together for a chat and a drink. Those attending the Coffee Morning have the opportunity to engage with the K2 representative, but just a coffee and a chat is something we can definitely provide.

Our last Coffee Moring took place on 8 September. The meeting was well attended and we benefitted from a talk given by Pete James, a retired Navy Photographer. He showed us pictures he had taken during his career and gave us the back stories to many of them. Simply come to the Community Hall between 10.00 and 12.00 on the 2nd Tuesday of each month and you will find a warm welcome.

Veterans Clinic

The branch continues to fund the monthly veterans clinic held at the Billinghay Medical Practice. Dates are published in this newsletter and on the medical practice website. The clinic is run by a Nurse Practitioner. If you are a veteran in the medical practice catchment area then ensure you are registered as a veteran. Registered veterans will receive text updates to tell them when a clinic or event will be held. All that's needed is to call to the reception and ask to book an appointment with the veterans clinic. The Nurse Practitioner is available to help in any way that's needed or to refer the case on to those who can be of better assistance. If you are a Veteran and have not yet registered, then please call the Medical Centre Reception (01526 860490).

2027 Poppy Appeal

By the time you read this our poppies will already have been available in a number of retail and business outlets in the village. We thank them all for their support.

As the cost of living increases, we appreciate that everyone is feeling the pinch. Every penny donated goes towards helping our veterans, serving personnel and dependents who are in difficulty or crisis, often as a result of serving their country. We really appreciate the generosity you have shown in past years and hope we can count on it again this year. THANK YOU.

BILLINGHAY CHURCH OF ENGLAND PRIMARY SCHOOL

As we begin another exciting school year, it already feels as though Christmas is just around the corner, with festive events and productions firmly on the horizon. Before then, however, we have a busy and exciting term ahead.

Our annual Remembrance Day Service will take place in school on 11th November. We are grateful to the Royal British Legion for their continued support in helping with the service. On 16th November, the East Midlands Ambulance Service will be visiting to provide our Key Stage 2 pupils with lifesaving CPR training, helping them to develop valuable skills and confidence. We also look forward to welcoming the Lincolnshire County Council Road Safety Partnership on 24th November to deliver a road safety workshop. Following these events, we will be enjoying our Christmas productions and the Christingle Service at St Michael's Church.

Thank you to everyone who generously donated food items as part of our Harvest Festival celebrations. These donations will be passed on to the Sleaford New Life Food Bank to support those in need within our community. Our School Council has also been busy organising harvest food parcels and are currently collecting nominations for local residents who may appreciate receiving one. The children are looking forward to delivering these parcels around the village and spreading a little kindness.

We are incredibly proud of the academic achievements of our pupils during the last academic year. Our Reception children achieved results significantly above the national average at the end of their first year in school. Year 1 pupils once again performed above the national average in the Phonics Screening Check, while our Year 6 pupils achieved outstanding SATs results, significantly exceeding national averages. These achievements reflect the hard work and dedication of our pupils, staff and families. Congratulations to all involved; we could not be prouder of you.

We look forward to welcoming prospective parents and families to our Open Day events on 5th November. Applications for Reception places for September 2027 open on 16th November and close on 15th January 2027 through Lincolnshire County Council School Admissions. If you would like to arrange a visit and see our school in action, please contact the school office on 01526 860786.

Finally, I would like to thank all members of our school community for their continued support. Together, we look forward to building on our successes and creating many more opportunities for our pupils throughout the year ahead.

With best wishes,

HERON Involvement Group - falls prevention

A new research project called HERON is being delivered in partnership with the Universities of Nottingham and Lincoln and focuses on preventing falls among older people who receive care and support at home.

It is looking for people with lived experience, including:

- Older people who use home care services
- Family members, friends and unpaid carers
- People who have experienced a fall or are worried about falling
- Home care workers and care professionals

No research experience is needed. It is particularly keen to hear from people who can share their experiences, ideas and insights to help ensure the research is relevant, practical and accessible.

The HERON Involvement Group will help researchers understand what matters most to people, review information, suggest improvements and help shape resources that could support older people to stay safe, confident and independent at home.

The first welcome meeting will take place online in October and details can be found on the Every-One website (https://every-one.org.uk/what-we-do/heron/?utm_medium=email&utm_source=govdelivery).

Meetings are expected to take place approximately every three months with members deciding where and when sessions will take place. People sharing lived experience can be paid for their involvement and agreed expenses can be covered.

Getting in touch with NKDC

From paying bills securely and applying for help to reporting litter or fly-tipping, lots can be done 24 hours a day via the NKDC website (https://www.n-kesteven.gov.uk/?utm_medium=email&utm_source=govdelivery) including:

- Reporting problems in your area
- Finding bin collection days
- Managing Council Tax
- Checking eligibility for help

Staying Alive

Help shape support for senior drivers

Driving plays an important role in helping many people maintain their independence, stay connected, and access everyday services.

Lincolnshire Road Safety Partnership is seeking feedback from older drivers and those who support them to better understand the challenges and support needs of senior drivers across the county.

The Lincolnshire Road Safety Partnership works to improve road safety across Lincolnshire by understanding the challenges road users face and developing initiatives that support safer travel for all.

To undertake the survey please go to **Let's talk-Lincolnshire**

Just a few minutes of your time could help shape future support for senior drivers.

Billinghay Pool Reflects on the 2026 Season

Billinghay & District Community Swimming Pool has wrapped up another season of heated swims. From morning adult swims to general sessions and pool parties, the pool has welcomed people of all ages for an affordable swim close to home.

The pool stayed active into October with cold water swims. Experienced swimmers and first-timers had the chance to take part, supported by lifeguards and volunteers. It was another way for the community to enjoy the pool after the regular heated sessions had ended. Keeping a community pool open and affordable takes work throughout the year. The pool relies on volunteers, lifeguards, fundraising and local support. Recent training has brought newly qualified lifeguards into the team alongside its regular lifeguards, helping the pool prepare for the 2027 season.

Autumn fundraising has been part of that work too. An evening of local performances raised **£250** for the pool, thanks to everyone who performed, attended and donated. The team is grateful to all those who support its events, give their time or help spread the word. The pool's October AGM gave local people an opportunity to hear the latest news and find out how they can get involved. Support is welcome throughout the year: people can attend fundraising events, donate through collection tins around the village, enter the NKDC lottery or use Easyfundraising when shopping online. Businesses able to contribute raffle prizes or support an event are also encouraged to get in touch.

Thank you to the swimmers, families, volunteers, lifeguards, performers and local businesses who have supported Billinghay's community pool this year. Anyone interested in helping with its future can email billinghaypool@gmail.com.

Billinghay Bowls Club

End of season reports

T**he Eric & Alf South trophy** was played on the 1st Sunday of September 2026. A beautiful day and well supported. Jim South sponsored the event with Susan Marshall nee South on hand to present the cup. 12 sets entered, 1 set came from Heanor in Derbyshire. We played usual format 3 games of 8 ends with the top 4 sets playing a 3 end shoot out. After a refreshment break, everyone was still in with a chance. Before the last game played, we did the spider pot - this year John Withers (who as always supports our club) won. After last game, the final featured all Billinghay players - Janis Keay and Paul Houseman v John Rushden and Brian Simpson after an entertaining game Janis & Paul were victorious. Susan presented the cup and one old penny to each, not forgetting John & Brian who received a halfpenny each.

In last month's issue it looked like we could lose our new promotion from the **Coningsby League**. The last 2 games were crucial, but it was holiday time. This will show the strength of our club as 2 new players were brought and in although not winning their rink did enough to secure aggregate and kept us in with a chance. We were still players short for last game but Paul one of our top skips came back from holiday early so we had a full team. Our two new players Kate & Chris played with Paul they won brilliantly and we got 4 points. We still did not think this would be enough because Woodhall only needed 2 points against Bicker and we were down.
Then an E mail came through - Bicker 8 Woodhall nil. That elevated Billinghay to fourth in Division 1.
BRILLIANT

Woodhall Friendly League although we have played with rhythm and commitment, at the last game we needed all sets to win and score 60 shots: Well into the game, 2 sets were winning but could we reach 60 shots with one set 12-4 down. Then we had a resurgence not only did we win magnificently but the set that was losing also won. Full house and we were Champions of Woodhall North League. It did not end there. We had to play the Final North v South. It was a beautiful day at a brilliant venue - Woodhall in the woods. Billinghay v Sleaford - could this be climax to our season. The game couldn't have been closer. At the penultimate end 2 sets were 2 shots down and 1 set 3 shots up. At the last end, 2 sets draw but 1 set loses by one.
CONGRATULATIONS TO SLEAFORD TOWN.
A brilliant game

John Booth buffet night Wednesday 7 October 2026.
Instead of a meal it was decided on a buffet as that way, more bowlers and friends could attend, freely mingle and chat. A big thank you to John and Fred Wright for officiating also a big thank you to Inga (The Ship Inn) for help and expertise. Our next meeting will be our AGM Oct 24 Saturday 2026 at 2 pm 2026 in the club house.
