MISCELLANEOUS VILLAGE ITEMS

GARDEN SPACE REQUIRED;

A village resident is looking for a garden allotment. Unfortunately, Billinghay does not have any and neighbouring villages, quite rightly, give precedence to their own residents,
Is there any one in the village who has a large garden, which they have difficulty in maintaining, willing to allow it to be used as an allotment?
The enquirer is willing to pay for the rent of the space and would use it for growing vegetables etc.
If you would like to know more, please contact Lisa Bateman on 07495662753.

THANK YOU

Thanks to all who attended Mum's (Shirley Hagger) funeral and donated to the Lincolnshire Air Ambulance. A magnificent sum of £1371.55 was raised through donations and the sale of some of mum's possessions.

Special thanks to Sammy Henderson for her efforts in selling some of mum's possessions.

Live Music Fundraiser
for LIVES + The British Heart Foundation

The Ship Inn, Billinghay, was full of music, friends and families for this year's Live Music Summer fundraiser in support of LIVES and the British Heart Foundation.

Organised by local fundraisers Emma Hudson and Shannon Carter, with help from their families and friends, the event was their **sixth fundraiser** for the two charities. What began for a reason personal to their family has grown through the continued generosity of the local community.

Following this summer's event and further donations, the running total across all six fundraisers has now reached **£15,568 - £7,784 for each charity**. It is a wonderful achievement made possible by everyone who has supported the events over the years. Bands and singers gave their time to perform throughout the day, creating a brilliant atmosphere for people to enjoy while supporting two causes close to the organisers' hearts. The raffle and auction also helped raise funds, thanks to prizes generously donated by businesses and individuals.

A huge thank you goes to every performer, to Richard Walsh for looking after the sound throughout the day, and to the whole team at The Ship Inn for their hard work and continued support year after year.

Thanks also go to everyone who attended, donated, bought raffle tickets, placed auction bids, baked, volunteered or helped spread the word. Family and friends have played a huge part behind the scenes, helping organise and run each fundraiser.

Every contribution has helped build this total, and the organisers are grateful to Billinghay and the surrounding community for continuing to get behind the events. Bringing people together for an enjoyable day while raising money for these charities has made all the hard work worthwhile.

Save the date: 21 August 2027! Another Live Music Summer fundraiser is planned, with more details to follow.

Advice for a Thoughtfully Affordable Christmas

December is a wonderful time of year, but we all know how quickly it can turn into an expensive one. Presents, food, social occasions, travel and the odd unexpected expense can all add up. Before we know it, January arrives and the festive cheer is replaced by a rather less welcome bank statement! The good news is that enjoying Christmas doesn't have to mean starting the New Year worrying about money. Here are 5 pieces of advice to help keep things manageable this festive season.

Start with what you can afford.

Decide what you are comfortable spending before buying presents or planning celebrations. This doesn't need to be complicated. Working out a rough figure for gifts, food and entertainment will give you a useful starting point. The important thing is to work with the money you have now, rather than what you hope to have later.

Thoughtful doesn't have to mean expensive.

We can put enormous pressure on ourselves to buy the perfect gift yet some of the most appreciated presents are often the least expensive. Can you cook someone a home-cooked meal? Go for a wintery walk? Write a thoughtful handwritten card or letter? Plan that long-overdue afternoon coffee and catch-up? Quality time and thoughtful words can be every bit as valuable as money and things.

Be wary of buy-now-pay-later.

Buy-now-pay-later offers and credit cards can make spending feel painless at the time, but the bills still arrive. If you are using credit to cover Christmas essentials, it may be worth stepping back and reconsidering the plan before spending any more.

Give yourself a little breathing space for the New Year.

If you can, leave some money aside for the ordinary expenses that continue after Christmas. Council tax, energy bills, food shopping and the car still need paying for in January, however many mince pies we have eaten!

Don’t compare your Christmas to everyone else’s.

Finally, remember that everyone's circumstances are different. Some households have plenty of room in their budget for Christmas, while others are dealing with higher bills, reduced incomes or other pressures. There is no single right way to celebrate, and there is certainly no need to keep up with anyone else's spending.

Since the last issue of this Newsletter, we have enjoyed:

The August meeting, a talk by Simon Pawley regarding the history of The Lincolnshire Uprising of 1536 and the involvement of Sleaford resident Lord Hussey - His dalliance during the Uprising eventually led to his execution. An excellent presentation with local interest.

The September meeting was another interesting topic, the history of the great Northern Railway. Tim Leffler gave a wonderful insight into the history of the Railway..

For reference, forthcoming talks are as below:

28/10/26	Simon Kemp	Bletchley Park
25/11/26	Tom Lane	To be advised

We would also like to draw your attention to another project.

May 2027 will be the centenary of the death of Bernard Samuel Gilbert (1882-1927) the Billinghay author, playwright and poet. St Michael and All Angels Church, the Society for Lincolnshire History and Archaeology and Billinghay Past Times are planning some events to commemorate this.

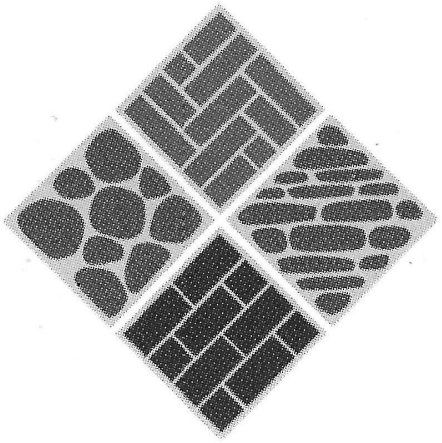

It is hoped that there will be a service in Billinghay Church on Saturday 8th May. This service will include many examples of Gilbert's work which we hope people will find entertaining and moving.

Further details of this and any other events will appear in future issues. Readers may also like to jon the Facebook page, Bernard Samuel Gilbert.

Billinghay Village Hall & Playing Field

September and October has seen two successful events at the village hall. On 26th September we welcomed the Band from County Hell to a sell-out audience, along with 8 Sail Brewery who brought their outside bar, and On the Hoof Pizzeria providing the food. The night was a great success and feedback was excellent. Thank you to all who supported this event and we look forward to welcoming you to future events.

On10th October we held another Tabletop sale with a variety of stalls, delicious cakes, pastries and other refreshments. Both these events helped us to maintain your village hall and continue to make it available for private events hire (see Facebook page) as well as the regular activities including Indoor Bowls, Move it or Lose it (gentle exercise for all abilities), Brownies, Bingo evenings etc. Details of all these are on our Facebook page and in the Billinghay News. We continue to need vital funds to enable the hall to keep going. Current costs include roofing repairs, drainage and plumbing, carpark maintenance…the list goes on. Also to allow us to keep our playing field available for our thriving adult and young people's football teams, as well as the continued costs of maintaining the play parks. So please use your village hall and help us to keep it going (in the words of the exercise class "use it or lose it").

Gofundme.com: As part of our ongoing fundraising we now have a page on the GoFundMe online fundraising site. You can access this easily by going onto the GoFundMe website and typing in Billinghay Village Hall. Any contributions no matter how small will be gratefully received and much appreciated. Thankyou.

Our next event will be another Tabletop Sale on December 5th. Tables can be booked at £5 per table by contacting Sue Robinson on 07848 910208. Refreshments will be on sale as usual. We would like a variety of stalls including 'bring your own' jumble, clothing, toys etc as well as crafts so why not dig out those unwanted items and make some much-needed Christmas cash. There will be a Christmas theme with children's competition, raffle and more festive activities. The raffle prizes will include two £25 meat vouchers kindly donated by Papworth's of Coningsby.

Looking ahead to the new year we hope to put on an indoor car boot sale (date t/b/c – posters will be going up). Tables will be provided as usual at £5 per table. Contact details will be as the Tabletop sale above. More events for 2027 are in the pipeline so watch this space.

Lastly, if anyone has ideas for village hall events or wants to support us, please consider joining the village hall committee. The more help we have the more events we can put on.

To enquire please contact Roger on 07831 264554.
